

Designation

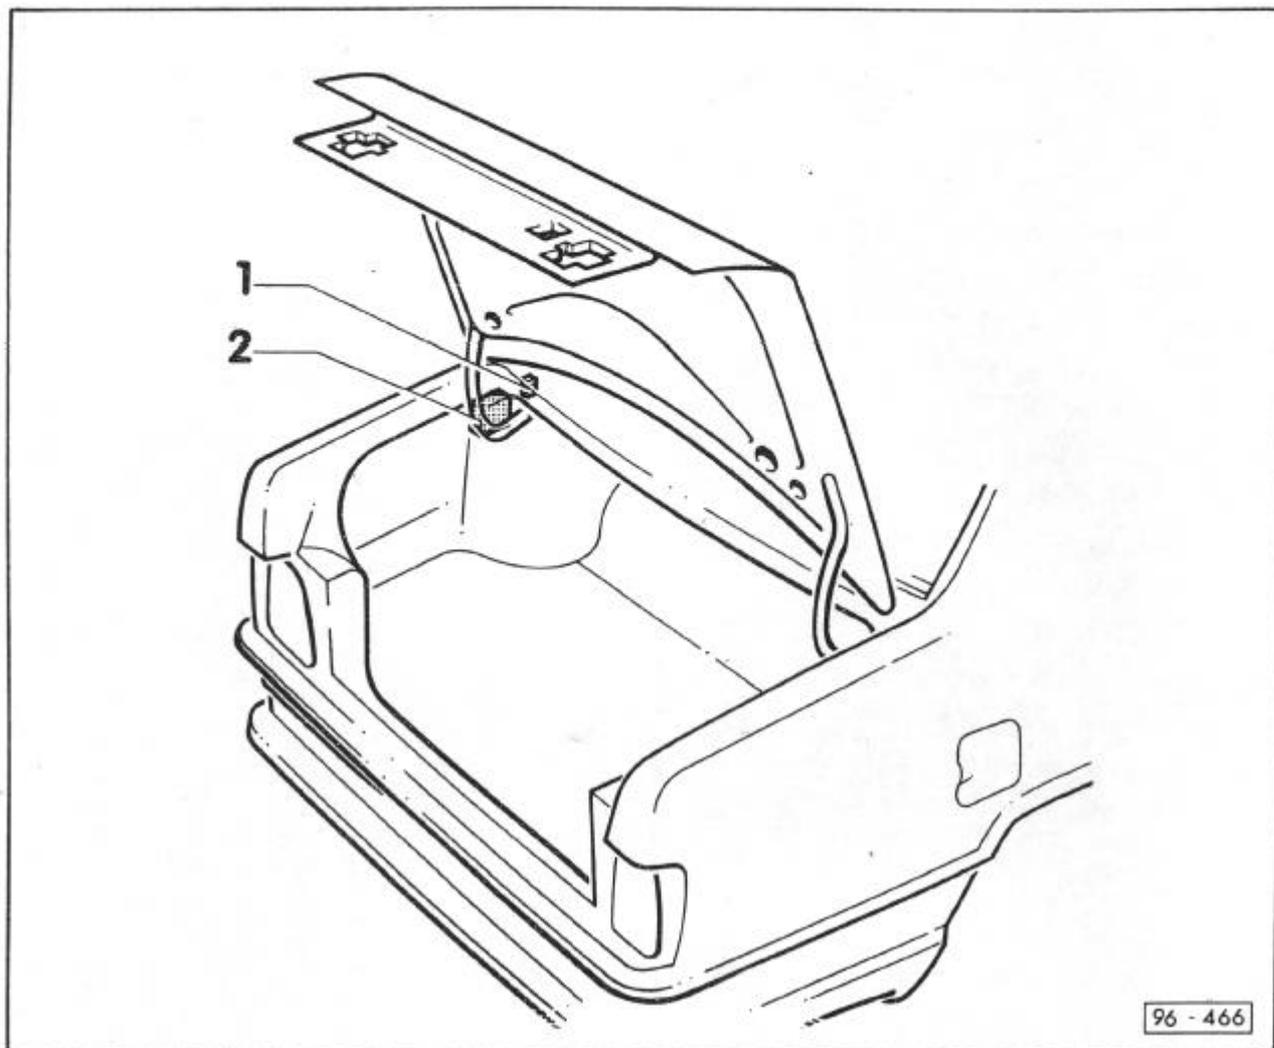

Code in CFD

1 - Control unit for heated lock cylinder, left
right

J 210
J 211

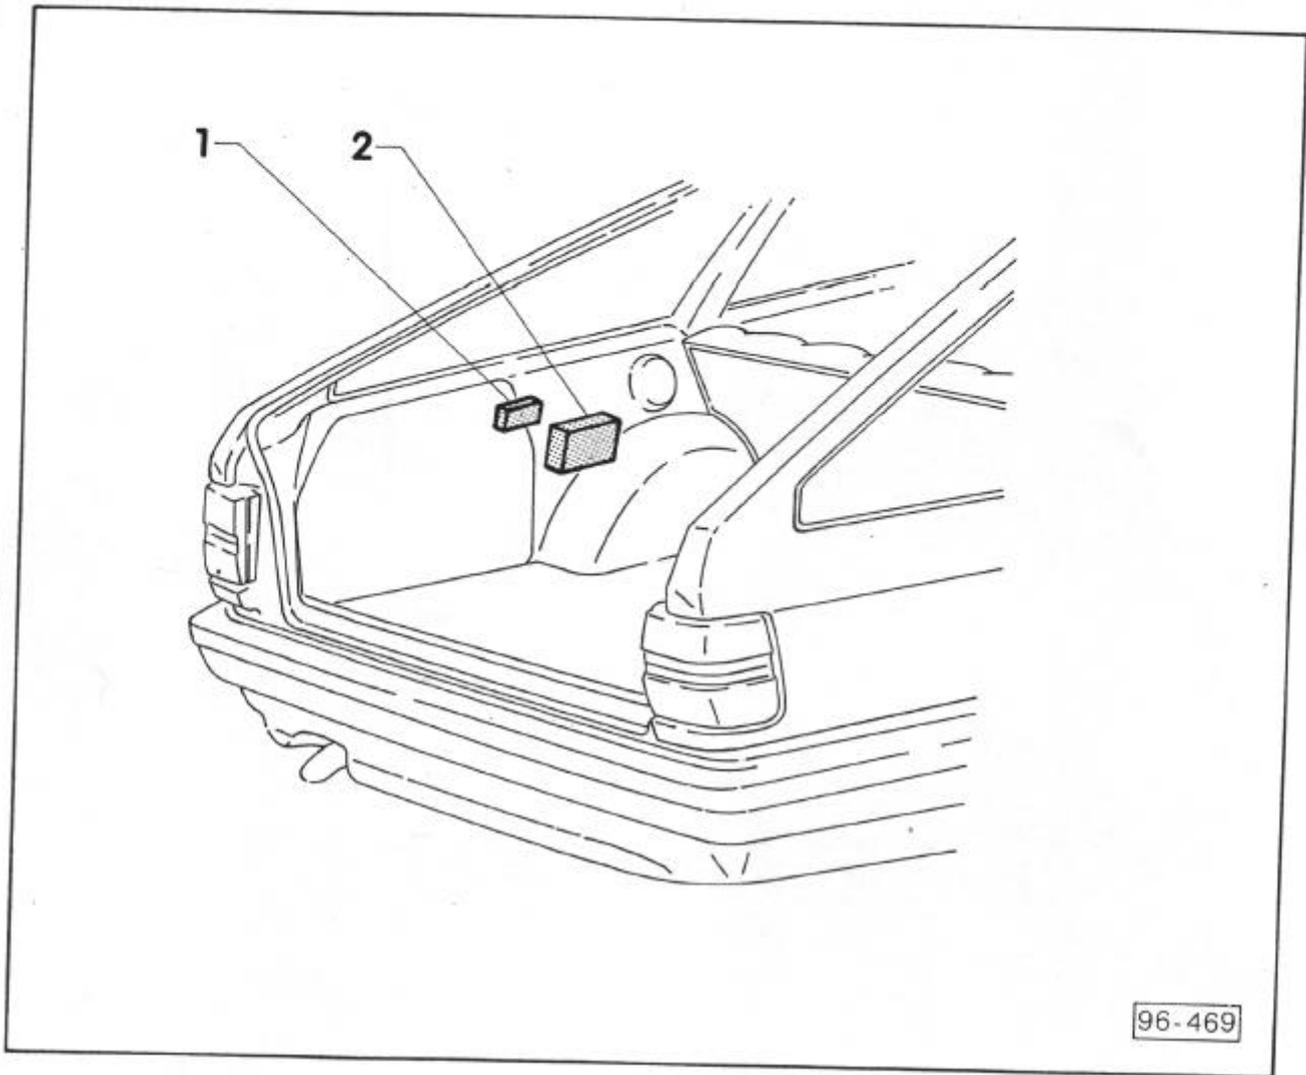

Designation	Code in CFD
1 - Control unit, MPI	J 192
- Control unit, KE-Jetronic	J 21
- Control unit, KE-III-Jetronic	J 21
2 - Control and regulating unit for air conditioner	J 127
3 - Control unit for cruise control	E 46
4 - Control unit for anti-theft alarm system	J 85
5 - Turn signal/emergency light relay	J 2
6 - Relay carrier	-
7 - Altitude sender	F 96
8 - TCI control unit	N 41
- Control unit for electronic ignition with knock control	J 154
9 - Auxiliary relay carrier	-
10 - Airbag system plug	-
11 - Energy reserve for airbag	J 177
12 - Triggering unit for airbag	J 178
13 - Operating and indicating unit for air conditioner	E 87
14 - Warning buzzer for parking lock (USA)	H 9

**Designation****Code in CFD**

- 1 - Bulb monitoring device
- 2 - Control unit for petrol heating system

J 124

-

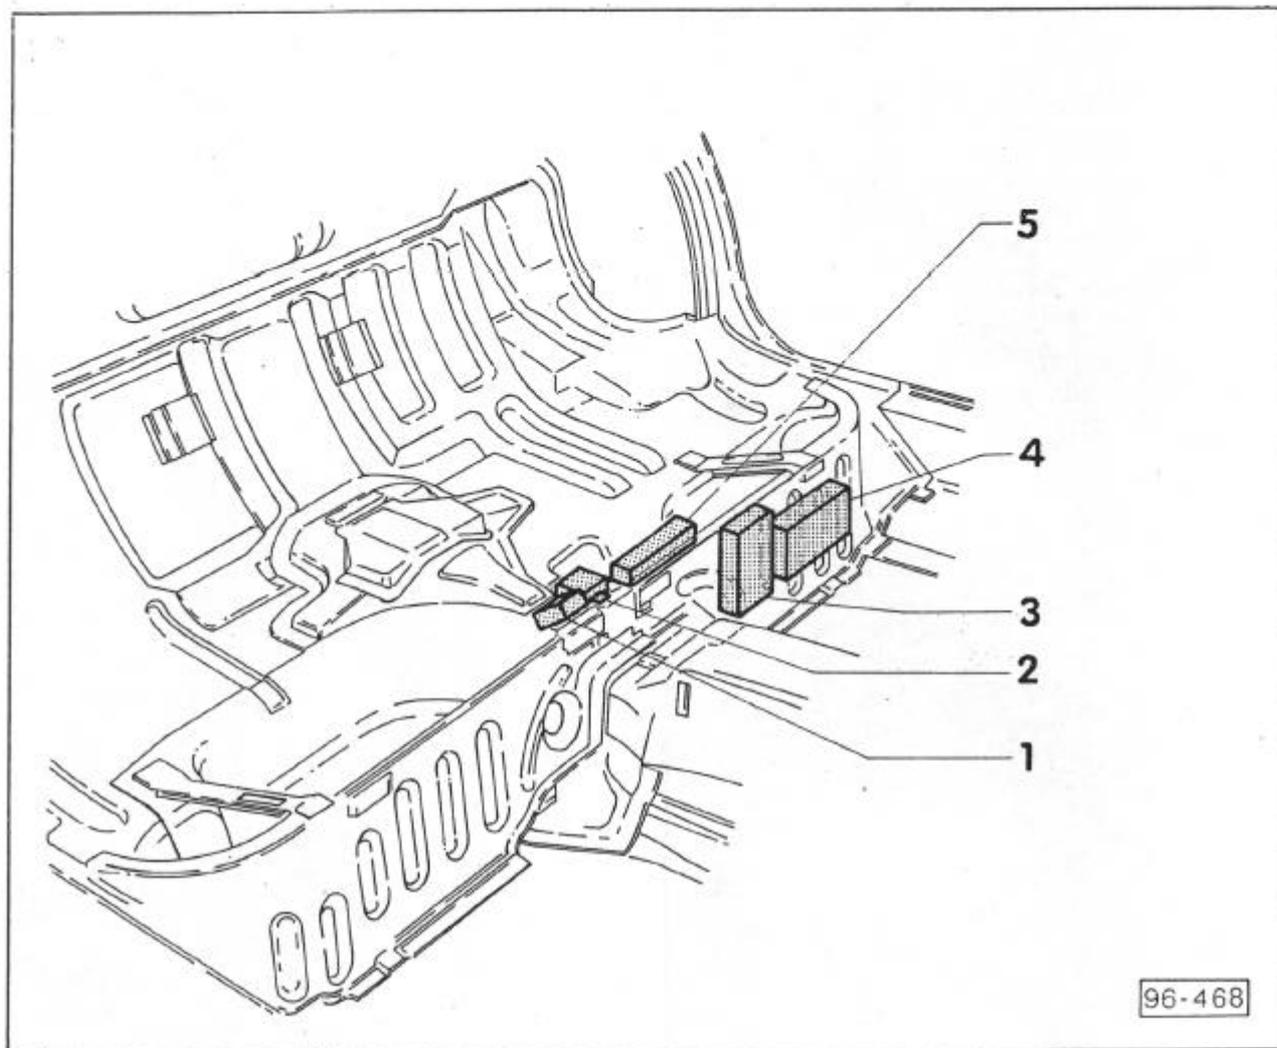

Designation

Code in CFD

- 1 - Bulb monitoring device
- 2 - Control unit for auxiliary heating (in preparation)

J 124

Designation

Code in CFD

- 1 - Control unit for differential lock
- 2 - Acceleration switch ABS
- 3 - Voltage converter for airbag
- 4 - Control unit for ABS
- 5 - Booster for radio (only with Avant)

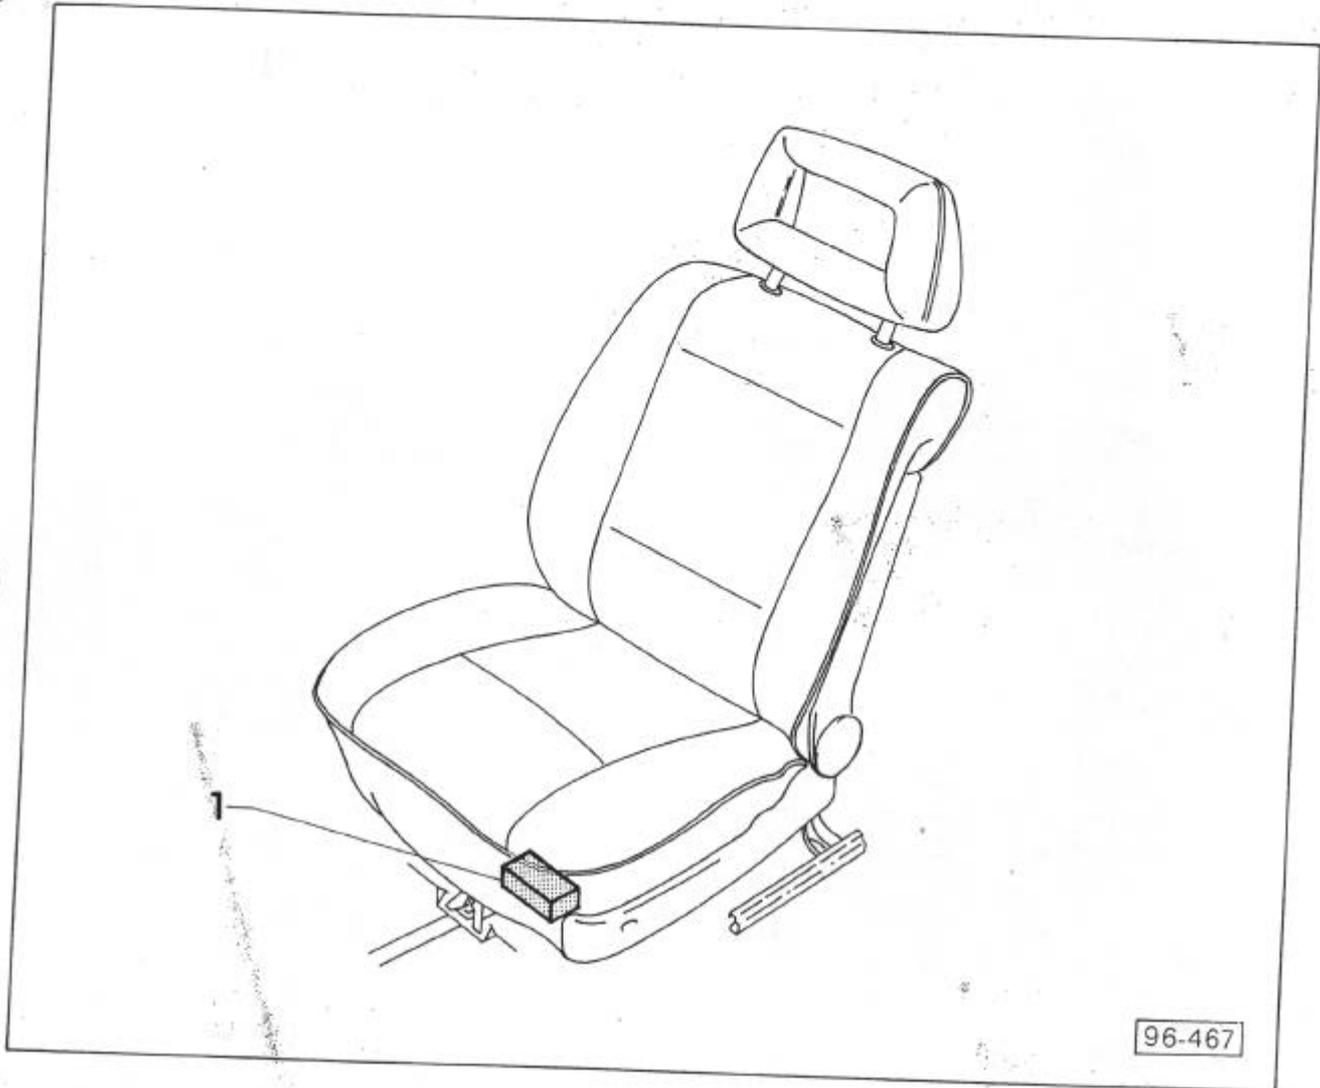

J 187

F 113

N 96

J 104

-

Designation

1 - Control unit for seat adjustment with memory

Code in CFD

J 136
